Habitat for Humanity CUCC Workday

CUCC has 8 slots for the HFH Workday on Saturday, June 29th HFH workday. Two people have signed up so far. The workday is located at 22nd & Violet Ave, <https://www.flatironshabitat.org/22nd-violet-boulder-1>. The address is 2180 Violet Ave, Boulder, CO. 80304. It is just south of the Violet Trailer Subdivision, at Guava Pl.

Sign up information:

Go to the Flatirons Habitat for Humanity website

See Volunteer, blue box, upper right corner of the page

Log In or Create Account - you will need a login and password

Use "Join Code" CUCC

Skip "Affiliations"

(Join Code and Affiliations allows you to sign up for a reserved date with a group)

Complete your account by agreeing to the waiver

Then go to the calendar and click on "sign up" for Saturday June 29, at the Violet Community Build

The Divine Feminine and the Gospel of Mary Magdalene

The Divine Feminine and the Gospel of Mary Magdalene

The books by Karen King and Meggan Watterson which will be this summer's focus have arrived at church and are free for the taking. The Divine Feminine and the Gospel of Mary Magdalene Sabbatical book discussions begin this month.

Plan to attend one or both of this month's discussions of Meggan Watterson's book "Mary Magdalene Revealed." The first is at 9:00 a.m. on Sunday, June 16, in Fellowship Hall. The second is on Zoom on Monday afternoon, June 24, at 4:30 p.m. See the eNews on Wednesday to sign up for the Zoom!

Highly recommended for reading and listening are Pastor Nicole's sermons "Climb Your Tower" from May 26 and "On the Divine Feminine" from October 29, 2023.

Calling all Crafty and Artistic CUCC'ers (Sponsors and Volunteers too!)

Boulder Pridefest is coming up on Sunday, June 30th from 11:30 am - 5:00 pm and Community UCC is sponsoring a double booth this year!

Last year our crafted gifts that we gave out using our "Prize Wheel" were very popular. The most popular were the handmade key fobs and bracelets! But we would love anything creative you'd like to make.

If you would like to craft, create, donate something, or buy something let Gwen Goodwin (gwendolyngoodwin@hotmail.com or 303 442-2117) or Kathy Stutzman know!

Volunteers: exact shift times haven't been set up yet, but please let Gwen know of any times you are available and if you can arrive early for set-up or stay late for tear-down. And we'll go from there!

Just Us For Justice Offering

The June Justice Offering will benefit Rocky Mountain Equality (formerly Out Boulder County), who works collaboratively to create connection and provide advocacy, education, research, cultural events, and responsive programs and services that ensure LGBTQ+ people, families, and communities thrive. They offer a variety of services like behavioral health programs, training and education in the community, programs for youth, families and teens, and so much more. They are the organizer of Pridefest in Boulder and Longmont and help sponsor other Pride events in Boulder County. You can learn more about them at <https://www.rmequality.org/>.

The next Community Compassion Corps. Meeting is June 19 at noon on Zoom. Be in touch with Linda Woods for the link.

Collecting Waterbottles and Toiletries for the Unhoused at CUCC

CCC is collecting items for the unhoused of Boulder in the plastic bins in the fellowship hall by the front door. This is a good place to put your soaps and small shampoos, etc from your hotel rooms this summer! Clean, slightly used water bottles are always needed.

Thanks

Rev. Harriott Quinn is in rehab after a fall. You can send cards to her at: The Gallery at Broomfield Assisted Living, 1450 W 169th Avenue, Broomfield, CO 80023. If you'd like to visit - afternoons are best.

Solstice Sound Journey with Horses - Friday, June 21 7:30pm

An evening on the terrace at Community UCC Boulder. Open to all on this Summer Solstice that coincides with a Full Moon. Join us as we listen to readings and go on a sound journey along with Bonnie & Clyde and others in the community. No registration required.

This is an offering as part of our time of renewal provided by the Lily Foundation Grant and your Sabbatical Planning Team.

From EFAA - Thank you and the church for the opportunity to speak about EFAA's programs and food insecurity in Boulder County. I had a great time getting to know folks from your congregation and answering questions about our work.

I wanted to let you know that the food drive donated close to **200** pounds of shelf-stable goods to EFAA's food pantry, and we collected \$60 in donations!

RMCUCC

Last week, an email was circulated by Colorado Republican State Party calling for the burning of pride flags, promoting anti-trans rhetoric, and falsely naming LGBTQ2SIA+ people as groomers and pedophiles. See the weekly enews for more information on the RMCUCC response and letter.
